

Docket No.: PRD-2014USPCT  
U.S.S.N. 10/507,084

### REMARKS

This is in response to the action dated July 22, 2008, response to which is due January 22, 2009. The claims in the case are 28-37. The Examiner had allowed Claims 28-32 and 34. Claims 33 and 35-37 were rejected.

In this paper, Claims 33, 35, and 37 have been amended to make the corrections requested and to overcome the rejection under 35 USC 112, 2<sup>nd</sup> paragraph. The reference to compounds 10 and 14 has been deleted in Claim 33. Claims 35 and 37 have been amended to cover pharmaceutical composition rather than the "combination". It is believed that the grounds for rejecting Claim 36 was that it depended on a rejected Claim 33, but that no changes were necessary to the claim.

The case is believed to be in condition for allowance. Notice of allowance is respectfully requested. Early favorable action on the merits is respectfully requested.

Respectfully submitted,
